NACDB Welcomes New Members, page 2 of 2

- **Clark Dickerson, Dickerson and Associates**

www.dickersonandassociates.com

Dickerson and Associates, founded in 1985, assists Christian schools, colleges, camps, organizations and churches in meeting their fund-raising goals.

- **Worship Facilities Magazine**

www.worshipfacilities.com

Worship Facilities Magazine reaches church facilities managers, business administrators and executive pastors with information on the design, construction, operation and maintenance of worship facilities.

- **William Henry Harris, III, AIA, William Henry Harris and Associates, Inc.**

www.harrisarchitects.org

William Henry Harris & Associates, founded in 1983, offers comprehensive professional design services to meet the diversified needs of churches, including master planning, preplanning and feasibility studies, programming, renovation and historic preservation design, and quality architectural and interior design.

“With every person who joins, our organization becomes stronger,” said Ron Womack, executive director of the NACDB. “Each member brings a unique perspective that helps the NACDB evolve to stay in touch with the industry. We are committed to offering our members an open platform to exchange ideas and share information, so that our combined expertise can better serve congregations around the country.”

Associate members of the NACDB are among a select group of church designers and construction experts, where they can contribute their knowledge and learn from peers to better serve their clients. They join the NACDB as a commitment to the churches they serve, so that they can offer them the most innovative designs in church construction.

More information on the NACDB is available at www.nacdb.com or by calling (817) 200-2622 or (866) 416-2232.
