“With every person who joins, our organization becomes stronger,” said Tobey Van Wormer, executive director of the NACDB. “Each member brings a unique perspective that helps the NACDB evolve to stay in touch with the industry. We are committed to offering our members an open platform to exchange ideas and share information, so that our combined expertise can better serve congregations around the country.”

All members of the NACDB are among a select group of church designers, construction experts, and suppliers of materials and services who contribute their knowledge and learn from peers to better serve their clients. They join the NACDB as a commitment to the churches they serve, so that they can offer them the most innovative options in church construction.

More information on the NACDB is available at www.nacdb.com or by calling (866) 416-2232.
