"With every new member, our organization becomes stronger," said Tobey Van Wormer, executive director of the NACDB. "Each brings a unique perspective that helps the NACDB evolve with the industry. We are committed to offering our members an open platform to exchange ideas and share information, so that our combined expertise can better serve congregations around the country."

The National Association of Church Design Builders is a professional association of firms dedicated to providing churches with the information and relationships needed to build or renovate their facilities or functions in a timely and cost effective manner.

More information on the NACDB is available at [www.nacdb.com](http://www.nacdb.com) or by calling (866) 416-2232.
